APPRENTICESearch.COM PROGRAMS

Find your place in the skilled trades with Apprenticesearch.com's programs and events.

GATEWAY TO THE TRADES

Gateway to the Trades is a part-time, facilitated skilled trades exploration and employment-readiness program that equips participants with the skills and connections to find meaningful employment in the skilled trades.

Participants also make connections with skilled trades employers who are hiring, and receive wrap-around supports, such as tools and safety equipment, that will support their employment needs.

CANADIAN APPRENTICESHIP SERVICE

In partnership with the Canadian Apprenticeship Forum, Apprenticesearch.com is administering grants to small and medium-sized employers who are hiring first-year apprentices in the 39 Red Seal Construction and Manufacturing trades.

This means employers have an incentive to hire and train you as an apprentice! So make sure the companies you're working or interviewing with know this is available.
